

OUR EXPERIENCE

since
1949

We have developed **over million** design items

We've designed **over one hundred** power and heating units

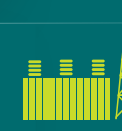

The total capacity of the designed units exceeds **30 000 MW**

We have **references** in all branches of industry

1 ENERGY
POWER PLANTS, NETWORKS, STATIONS

2 INDUSTRY
INDUSTRIAL INSTALLATIONS, BUILDINGS AND STRUCTURES, INFRASTRUCTURE

3 ENVIRONMENT
EFFICIENCY, WASTE MANAGEMENT, ENVIRONMENT PROTECTION
